INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF ORCHARDWAY P2P CREDIT FUND LIMITED

Report on the audit of the non-statutory financial statements

Opinion

In our opinion the non-statutory financial statements of Orchardway P2P Credit Fund Limited (the 'Fund'):

- give a true and fair view of the state of the Fund's affairs as at 31 December 2017 and of its result from operations for the year then ended; and
- have been properly prepared in accordance with accounting principles generally accepted in the United States of America.

We have audited the non-statutory financial statements which comprise:

- the statement of assets and liabilities;
- the statement of operations;
- the statement of changes in net assets;
- the statement of cash flows; and
- the related notes 1 to 10.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the non-statutory financial statements section of our report.

We are independent of the Fund in accordance with the ethical requirements that are relevant to our audit of the non-statutory financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the non-statutory financial statements is not appropriate; or
- the directors have not disclosed in the non-statutory financial statements any identified material uncertainties that may cast significant doubt about the Fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the non-statutory financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other Information

Management is responsible for the other information. The other information comprises the general information and the supplementary disclosure, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the non-statutory financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of non-statutory financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the non-statutory financial statements, the directors are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the non-statutory financial statements

Our objectives are to obtain reasonable assurance about whether the non-statutory financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these non-statutory financial statements.

A further description of our responsibilities for the audit of the non-statutory financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely for the exclusive use of the directors and solely for the purpose of showing the results of management's stewardship of the resources entrusted to them. Our report is not to be used for any other purpose, recited or referred to in any document, copied or made available (in whole or in part) to any other person without prior written express consent. We accept no duty, responsibility or liability to any other party in connection with the report or this engagement.

OrchardWay P2P Credit Fund Limited
Notes to Financial Statements
For the year ended December 31, 2017

1. Organization

OrchardWay P2P Lending Fund Limited was formed on February 19, 2015. By special resolution dated July 10, 2015 it changed its name to OrchardWay P2P Credit Fund Limited (the "Fund"). The Fund is incorporated as an exempt company, with limited liability for all shareholders in accordance with the Cayman Islands' Companies Law (Revised), formed on November 6, 2015 and registered with the Cayman Islands Monetary Authority under section 4(3) of the Mutual Funds Law (2015 Revision) on November 6, 2015. The Fund commenced operations on March 1, 2015 and invests substantially all of its assets in HCG Digital Finance LP a Delaware limited partnership (the "Master Fund") through a "master-feeder" fund structure. The Fund and the Master Fund have the same investment objective, policies and strategies. As of December 31, 2017, the Fund had a 65.93% ownership of the Master Fund.

The Master Fund was formed to generate stable, long term capital growth by investing substantially all of its assets in private investment funds organized by the General Partner, or one of its affiliates and managed by the Investment Adviser or one of its affiliates ("Portfolio Funds"). Each of the Portfolio Funds will be organized as onshore or offshore limited liability companies, limited partnerships or other entities formed by HCG Partners or its affiliates. Each Portfolio Fund will invest primarily in securities or other financial assets ("*Peer-to-Peer Securities*") that are issued by trusts or similar special purpose vehicles ("*Peer-to- Peer Security Issuers*") and are collateralized by, or reference or otherwise track the performance of, one or more portfolios of loans ("*Peer-to-Peer Loans*") originated through peer-to-peer lending platforms sponsored by and serviced by third party companies ("*Peer-to-Peer Platform Sponsors*").

The Fund is a collective investment vehicle formed to allow investors to gain indirect exposure to an investment in the Master Fund. In pursuit of its investment objective, upon notice to the shareholders, the Fund may in the future expand its investment focus; including investing in investment funds other than the Master Fund or making direct investments.

HCG Partners LLC, a Delaware limited liability company, serves as the general partner of the Master Fund (the "General Partner"). HCG Fund Management LP, a Delaware limited Partnership, serves as the investment adviser for the Master Fund (the "Investment Adviser"). Jointly, the General Partner and the Investment Adviser control all of the Master Fund's operations and activities.

Neither the Fund nor the Master Fund is or will be registered as an investment company under the U.S. Investment Company Act of 1940, as amended (the "*Investment Company Act*"). The Fund is an Alternative Investment Fund ("AIF") as defined in the Alternative Investment Fund Management Directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011.

OrchardWay P2P Credit Fund Limited
Notes to Financial Statements
For the year ended December 31, 2017

1. Organization (continued)

The Fund is managed by its board of directors (the “Board of Directors”). The Board of Directors has ultimate authority over the management and administration of the Fund, but has delegated the day-to-day investment management of the Fund’s assets to Duff & Phelps (Luxembourg) Management Company S.à.r.l. (the “AIFM”) or the portfolio manager, Bedrock Asset Management (UK) Ltd. (the “Portfolio Manager”).

The Board of Directors, which is responsible for overseeing the business and affairs of the Fund, is elected by the holders of the voting shares. The Board of Directors serves in a non-executive capacity, and has delegated the day-to-day operation of the Fund to service providers including the AIFM, the Portfolio Manager and the administrator to the Fund, SS&C Technologies, Inc. (the “Administrator”).

2. Significant Accounting Policies

These financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“US GAAP”). The financial statements are expressed in United States dollars. The Fund is an investment company in accordance with Accounting Standards Codification 946, *Financial Services-Investment Companies* (“ASC 946”), which defines investment companies and prescribes specialized accounting and reporting requirements for investment companies.

Use of accounting estimates

The preparation of these financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes, including certain valuation assumptions. Actual results could differ from such estimates.

Recent accounting pronouncements

In January 2017, the FASB issued ASU 2017-03. Accounting Changes and Error Corrections (Topic 250) and Investments – Equity Method and Joint Ventures (Topic 323), which provides guidance on the accounting for and reporting of accounting changes and error corrections. The guidance in this ASU is based on the following SEC staff announcements made at the September 2017 and November 2017 EITF meetings:

- 1) “Disclosure of the impact that recently issued accounting standards will have on the financial statements of a registrant when such standards are adopted in a future period (in accordance with Staff Accounting Bulletin [SAB] Topic 11.M).”
- 2) “Amendment of SEC Staff Observer comment: accounting for tax benefits resulting from investments in qualified affordable housing projects due to issuance of ASU No. 2014-01, Investments – Equity Method and Joint Ventures (Topic 323): Accounting for Investments in Qualified Affordable Housing Projects.”

2. Significant Accounting Policies (continued)

The adoption of this guidance did not have a material impact on the financial statements.

Investment transactions and valuation

The fair value of the Fund's assets and liabilities which qualify as financial instruments under Statement of Financial Accounting Standards ASC 825, "Financial Instruments", approximates the carrying amounts presented in the Statement of Assets and Liabilities.

Investment in Master Fund

The Fund's investment in the Master Fund is valued at fair value, which is the Fund's proportionate interest in the net assets of the Master Fund. The Fund records its proportionate share of the Master Fund income, expenses, and realized and unrealized gains and losses. Fair value is determined as the Fund's proportionate share of the Master Fund's capital (65.93% as of December 31, 2017).

Valuation of the investments held by the Master Fund including, but not limited to the valuation techniques used and classification within the fair value hierarchy of instruments held by the Master Fund are discussed in the notes to the Master Fund consolidated financial statements which are attached to these financial statements.

Recognition and allocation of income or loss

The Fund records subscriptions and redemptions in the Master Fund on the transaction date. The Fund records its monthly proportionate share of the Master Fund's income, expenses and change in realized and unrealized gains and losses. In addition, the Fund accrues its own income and expenses. The Master Fund income and expense recognition and net gain/(loss) allocation policies are disclosed in the notes to the Master Fund consolidated financial statements which are attached to these financial statements.

Foreign currency

Items included in the Fund's financial statements are measured using the currency of the primary economic environment in which it operates (the "Functional Currency"). The financial statements are presented in the Functional Currency, United States Dollars.

Transactions during the period denominated in foreign currencies have been translated at the rates of exchange ruling at the dates of transactions. For foreign currency transactions and foreign currency investments held at the period end, the resulting gains or losses are included in the net realized gain/(loss) from investments, derivatives and foreign currency in the statement of operations. Foreign currency assets and liabilities held at the period-end were translated at period-end exchange rates.

The Fund does not isolate that portion of the results of operations resulting from changes in foreign

exchange rates on investments from the fluctuations arising from changes in the market prices of securities. Such fluctuations are included in the net realized and unrealized gain/loss from investments, derivatives and foreign currency.

Cash and cash equivalents

Cash and cash equivalents include amounts due from banks on demand, interest bearing deposits with original maturities of three months or less and non-interest bearing accounts. At December 31, 2017, cash and cash equivalents are held with Squared Financial Services and the Royal Bank of Scotland International. The Fund has concentration of credit risk with these institutions.

Income Taxes

The Fund is a Cayman Islands exempted company. Under current laws of the Cayman Islands, there are no income, estate, transfer, sales, or other Cayman Islands taxes payable by the Fund. The Fund seeks to conduct its affairs so that it will not be subject to tax in any jurisdiction. Accordingly, the only taxes paid by the Fund are withholding taxes applicable to certain investment income, if any, allocated specifically. As a result, no tax liability or expense has been recorded in the accompanying financial statements

ASC 740, *Income Taxes* (“ASC 740”), defines how uncertain tax positions should be recognized, measured, presented, and disclosed for financial statement purposes as applied to all open tax years and requires a determination whether such tax positions are more likely than not to be sustained by the applicable tax authority. Open tax years are those that are open for examination by relevant tax authorities.

In accordance with ASC 740, management has reviewed the tax positions taken or expected to be taken in the course of preparing the Fund’s tax returns and for all open tax years. Based on this analysis, management has concluded that there are no material tax positions for any open tax year which would not meet the more likely than not threshold. Therefore, no provision for income taxes, including any interest or penalties, is recorded in the Fund’s financial statements as of December 31, 2017, and no adjustments were made to any prior period.

To the extent the Fund records interest and penalties, such amounts would be included in other expense on the statement of operations. Management’s conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. Since the Fund commenced operations in 2015, all tax years since inception of the Fund are open to inspection by the tax authorities.

For the year ended December 31, 2017

2. Significant Accounting Policies (continued)

Subscriptions received in advance

Subscriptions received in advance to the Master Fund in the Statement of Assets and Liabilities are amounts for subscriptions that have been received but not yet invested at year end.

Subscriptions received in advance represents amount received from shareholders with an effective date after December 31, 2017. As of December 31, 2017, the Fund had subscriptions received in advance of \$3,180,323.

Redemptions payable

In accordance with the authoritative guidance on ASC 480 “*Liabilities from Equity*”, Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity under US GAAP, financial instruments mandatorily redeemable at the option of the holder are classified as liabilities when a redemption request has been received and the redemption amount has been determined.

Redemption notices must be delivered to the General Partner and the Administrator within at least five business days prior to the last day of any month. The Fund records a redemption payable at the end of the respective month. The redemption is processed based on the net asset value determined as of the redemption date.

3. Share Capital

The Fund’s authorized share capital is \$50,000 divided into 100 Management Shares of a nominal or par value of US\$0.01 each, and 4,999,900 Participating Non-Voting Redeemable Shares (the “Shares”) of a nominal or par value of US\$0.01 each. The holders of Management Shares are entitled to one vote for each share held; are not entitled to any dividends in respect of such shares; in the event of a winding - up or dissolution of the Fund, be entitled, *pari passu* with the holders of Shares, to an amount equal to the par value of such Management Shares but to no other or further amount; and not be subject to redemption or purchase of such Management Shares.

The 4,999,900 Shares may be subdivided into multiple classes of shares. Each class of Shares may be issued in series. The Fund may from time to time offer and issue additional share classes or subclasses with different rights and privileges, which may include, without limitation, economic terms, fee terms, informational rights and/or redemption rights that are more favorable than those of the existing Shares.

Additional classes of Shares and series within a class may be created in the future by the Board of Directors without Shareholder notice or approval, and authorized Shares not in issuance may be designated or re-designated for this purpose.

The Fund currently is offering USD Class Shares (“USD Class Shares”), Euro Class Shares (“Euro Class Shares”), GBP Class Shares (“GBP Class Shares”) and CHF Class Shares (“CHF Class

Shares”). The Euro Class Shares, the GBP Class Shares and the CHF Class Shares together (the “Foreign Currency Shares”). USD Class Shares are sold in United States dollars, Euro Class Shares are sold in Euros, GBP Class Shares are sold in British pounds sterling and CHF Class Shares are sold in Swiss francs. Except with respect to the currency of offering, the Shares generally have the same rights.

Substantially all of the subscription amounts received by the Fund in Euros, pounds sterling and Swiss francs are converted into United States dollars at the relevant exchange rate obtained by the Fund on the relevant date, prior to investment by the Fund.

The Fund may, in the discretion of the AIFM or the Portfolio Manager, seek to hedge the foreign exchange exposure against the United States dollar of the Foreign Currency Shares to attempt to reduce or minimize the potential impact of significant currency fluctuations on the net asset value of the Foreign Currency Shares. There is no guarantee that any such currency hedging will be successful, and classes of shares issued in currencies other than the United States dollar may be adversely affected by currency fluctuations between the United States dollar and the currency in which they are issued, The costs and financial results of any such currency hedging will be solely for the account of the relevant class of shares.

The Management Shares do not participate in the profits or losses of the Fund and are not redeemable. All of the Management Shares have been issued to, and will be held on an ongoing basis by Bedrock (GCI) Ltd., a Cayman Islands exempted company affiliated with the Portfolio Manager.

3. Share Capital (continued)

Through exposure to the Master Fund, the Fund attempts to invest Shareholder capital contributions in consumer, real estate, and small business loans (“P2P loans”) during the month in which the capital contribution is received by the Fund. As there is a general four to five week time delay between when a P2P loan, is purchased and when a the loan is issued and begins accruing interest, no profit and loss is allocated to a Shareholder with respect to the new capital contribution until the first business day of the month following the month in which the new capital contribution is invested in the P2P loans. Subscriptions for Shares in the Fund will be on the same terms and conditions as subscriptions and contributions of capital to the Master Fund except that the minimum initial investment in the Fund is U.S. \$100,000 (or the applicable foreign currency equivalent for the Foreign Currency Shares) and subject to waiver at the discretion of the Directors.

4. Investment Management and Performance Fees

As an investor in the Master Fund, the Fund will be subject to a management fee at an annual rate of 2%. The management fee is calculated at the level of the Master Fund and generally paid at that level. For the year ended December 31, 2017, the Master Fund allocated \$1,751,636 in management fees to the Fund.

As an investor in the Master Fund, the Fund will also be subject to a performance fee equal to 20% per annum. The performance fee is calculated at the level of the Master Fund and generally paid at that level. For the year ended December 31, 2017, the Master Fund allocated \$271,091 in performance fees to the Fund.

Under certain circumstances, the Portfolio Manager and the Investment Adviser may enter into fee sharing arrangements, as a result of which the Investment Adviser may waive a portion of the management and/or the performance fee payable by the Fund to the Master Fund and instead agree that the Fund pay the equivalent of the waived portion to the Portfolio Manager. Any such fee sharing arrangement will not result in any change to the overall amount of fees being paid by each Shareholder.

Pursuant to a letter agreement dated December 12, 2014 between the Portfolio Manager, for itself and on behalf of certain affiliated funds and/or accounts to be designated by the Portfolio Manager and the General Partner, they have agreed on certain terms related to the potential investments to be sourced by the Portfolio Manager in certain private investment funds managed by the General Partner and certain affiliates of the General Partner.

Each investment made by an investor in the feeder (other than the initial investment) will receive a 25% reduction in the base and incentive management fees normally charged to investors in the Master Fund. Under this agreement, for the year ended December 31, 2017, the Fund incurred management fees of \$530,605 and performance fees of \$83,521, of which \$159,664 and \$38,097, respectively, remained payable at December 31, 2017.

5. Service Provider Agreement

The Directors have appointed SS&C Technologies, Inc. (the "Administrator") as the administrator of the Fund and of the Master Fund. The Administrator provides accounting, clerical and administrative services to the Fund and to the Master Fund.

For the year ended December 31, 2017 the Master Fund allocated administration fees to the Fund and the Fund incurred directly administrative fees of \$38,573 of which none remained payable at December 31, 2017.

Dawn Cummings was appointed as an independent director on September 22, 2015. Jason Fitzgerald was appointed as an independent director on February 19, 2015. During the year ended December 31, 2017 the independent directors were paid fees totaling US\$19,912.

6. Financial Instruments with Off-Balance Sheet Risk and Concentrations of Credit Risk

In the normal course of its business, the Fund enters into various financial transactions. The execution of these transactions may result in off-balance sheet risk or concentration of credit and price risk. The Fund records investment transactions on a trade-date basis and, therefore, is exposed to credit risk in the event that the Fund's counterparties are unable to fulfill contractual agreements on the date of settlement.

The Fund maintains cash in bank accounts that, at times, may exceed federally insured limits. The Fund has not experienced any losses in such accounts and expects the risk of loss, if any, to be remote.

Credit risk is the risk of loss of principal or loss of a financial reward stemming from a borrower's failure to repay a loan or otherwise meet a contractual obligation. The instruments held by the Fund's underlying investments are subject to credit risk.

The Fund also bears the risk of financial failure by any lending platform utilized by the Master Fund, or a Portfolio Fund into which the Master Fund invests.

7. Indemnifications

In the normal course of business, the Fund and the Master Fund have entered into contracts, which provide a variety of general indemnifications. Such contracts include but not limited to the Fund's Administrator and Investment Adviser. Any exposure to the Fund and the Master Fund under these arrangements would include future claims that may be made against the Fund and the Master Fund. No such claims have occurred, nor are they expected to occur. Therefore the Fund and the Master Fund have not accrued any liability in connection with such indemnifications.

Duff & Phelps (Luxembourg) Management Company S.à.r.l. (the “AIFM”)

AIFM Remuneration

Subject to a minimum agreed annual fee, the AIFM will receive an annual fee from the Fund, calculated on a monthly basis as a percentage of the net asset value of the Fund at the end of the month in question at the following rates (such fee to accrue monthly and be payable monthly in arrears in Euro):

First €100 million:	6 basis points
€100 million to €200 million	4 basis points
Above €200 million	2 basis points

For the year ended 31st December 2017, the total of the remunerations paid by the AIFM to its staff was the following:

- Fixed remuneration : EUR 791,949.09
- Variable remuneration : EUR 25,000.00

Eleven employees benefited from the remuneration. Each of these beneficiaries was fully or partly involved in the activity of the Fund. Their remuneration was broken down as follows:

- Top managers : EUR 475,733.70
- Staff members : EUR 316,215.39

No carried interest was paid by the Fund to the AIFM.

The portion of the total revenue of the AIFM which was attributable to the Fund amounted to EUR 63,359.91. Although there is no Remuneration Committee at the AIFM level given the nature, scope, complexity of activities and size of AIFs managed, in accordance with the proportionality principle, the AIFM is itself part of a Group which has a Remuneration Committee in place whose one of the members acts as a Board member of the AIFM. None of the members of the Remuneration Committee are involved in portfolio management or risk management functions.

Further information on the remuneration policy the AIFM has implemented can be obtained free of charge upon request to the AIFM.
